

Dental Blue SelectSM

Take care of your smile with
our Standard Plan

Your plan for better health.SM | bcbsnc.com

The Standard Plan offers:

- + Annual check up and cleaning
- + Lifetime deductible only \$100
- + Benefit period maximum of \$1,000

Your smile says a lot about you - and your health

When you take care of your dental health, you help fight heart, lung, cardiovascular and arterial disease.¹

Research confirms the connection between periodontal disease – infection of the gums and bones that support the teeth – and complications for many health conditions including:

- + Diabetes
- + Respiratory disease
- + Coronary heart disease
- + Pre-term and low birth weight babies²

Dental Blue Select can help in the fight against periodontal disease and many other illnesses linked to it. The plan gives you regular and reliable access to dental professionals who can diagnose periodontal disease, which can otherwise go unnoticed for years.

Choose Dental Blue Select

When you enroll or renew your benefits at work, be sure to add Dental Blue Select. Through convenient payroll deduction, you'll have one less bill payment to keep track of each month. And, you'll give yourself one more thing to smile about – improving your oral health through routine dental care is one way to improve your overall health.
